- Technology: Pathfinder provides a rare opportunity to live simply in a natural setting. When restricting or prohibiting any items at Pathfinder, we are concerned with the health, safety, comfort and feelings of everyone in the community.

Technology items in particular are not permitted, in order to open our senses to the world of Algonquin. Any game machines, music players, phones, laptops etc. will be locked up in the camp safe on arrival and returned to the Camper for the trip home.

- A Note on Knives: small camp knives are permitted for supervised use only. The Staff will monitor and teach responsible use of pocket knives, and will immediately confiscate any knife used in an improper or unsafe manner.

An appropriate camp knife would be a small lock-blade pocket knife or a small blade sheath knife. Boys will whittle, cut cord or cheese, etc. Smaller is better.

- Canoe paddles - Camp provides paddles for the season no charge, but if your son would like his own, order a custom Pathfinder paddle in his size. Measure him floor-to-chin and call us with your order. Prices are charged to candy store account and run about \$25CN. Older campers seeking expensive whitewater paddles need parent permission, but we can obtain them once the boys arrive at camp.

Pathfinder Early Birds automatically receive a free new paddle when they arrive at Camp
