Warm days, cool evenings, morning mists, great swimming and star gazing, delicious Algonquin woods camp meals. No cooking, no cleaning, no worries – just the wild beauty of Algonquin Park to share with your family. Canoeing, kayaking, day trips, biking, ropes course, swimming, archery, fishing, nature treks, campfire program.

Pathfinder is an historic summer camp for boys, nestled on a private island on Source Lake, in world-famous Algonquin. For 103 years, Pathfinder has provided wilderness experiences for life. Family Camp has been a hit here since 1999. Our staff and campers host Family Camp, leading activities like canoeing, kayaking, ropes course, bush hikes, watercolor painting, and more. Evening camp fires, morning mists, northern lights, loons, moose calls and wolf howls, quiet wood-canvas canoe or kayak outings. Many families just enjoy chilling out, following the sun from dock to dock and indulging in the home camp cooking, from curried PEI mussels to beef tenderloin to home baked breads, pastries and more. Family Camp permits legal beverages, BYOB.

Camp Pathfinder is rustic and traditional. Old fashioned privy washrooms, lake bathing, canvas tent lodges, and lantern light just like the old days. Bring a sleeping bag, towel, swimsuit and pillow, rain jacket, comfortable outdoor shoes, toothbrush and a flashlight. We'll supply the rest!

All-inclusive fee. Reservations required, as space is limited. Parents please note: no pets are permitted, and children's supervision is the responsibility of their parents at all times during this camp event.
