

Red Canoe

Original song by Teddy Hibbard

I pull you over...my head,
and you take me to my...mossy bed.
And I know you're built for two,
Just me and you....

My red canoe, my red canoe.
Just me and you and the great big Algonquin blue.
My red canoe, my red canoe.
Just me and you and the great big Algonquin blue.

In the morning I push you...off the dock.
And I'm paddling all around...all around the clock.
And I know you're built for two,
Just me and you....

My red canoe, my red canoe.
Just me and you and the great big Algonquin blue.
My red canoe, my red canoe.
Just me and you and the great big Algonquin blue.

(Quietly/single strum)

My red canoe, my red canoe.
Just me and you and the great big Algonquin blue.
