

2024 Pathfinder Family Camp is FUN!

PATHFINDER FAMILY CAMPS 2024 / Our 111th Year !

July 6– 9, 2024 and Aug. 1 – 4, 2024

Source Lake, Algonquin Park, Ontario Canada

Escape for some family time on Pathfinder Island. Turn off the phones to really get back in touch. Warm days, cool evenings, morning mists, great swimming, stargazing, and delicious homemade Algonquin woods camp meals. No cooking or cleaning – just the wild beauty of Algonquin Park to share with your family.

Pathfinder is an historic summer camp, nestled on a private Source Lake island, in world-famous Algonquin Park. For 110 years, Pathfinder has provided wilderness experiences for life.

Family Camp has been a hit here since 1999. Our staff and campers host a small group of families twice during the camp session. We lead swimming, sailing, canoeing, kayaking, archery, ropes course, bike trips, bush hikes, watercolor/sketch/photo outings and more. The action includes quiet hikes, canoe, bike or kayak day trips, evening campfires, northern lights, moose viewing, loon calls and wolf howls. Many families just enjoy chilling out, following the sun between docks, and indulging in the camp meals and treats.
